## DIAMOND - EDC SUCCESS STORY

## ABOUT EDC

EDC is one of the leading drilling contractors in Egypt and the MENA region; established in 1976 in partnership with Maersk Drilling, EDC is now 100% owned by Egyptian General Petroleum Corporation (EGPC) and other shareholders from the Egyptian petroleum sector. EDC owns and operates over 70 rigs, including six jack-ups, two offshore platform Rigs, and the rest being on shore Rigs with a variety of drilling, work-over and pulling units. The company currently employs over 5000 employees between the head offices in Cairo, Saudi Arabia and in field employees.
